

Bat Conservation International (BCI): Year of the Bat (YOTB) Partner materials

BCI has made many materials available for free download on our Year of the Bat webpage (www.batcon.org/YOTB). Partners may receive the following additional items (while supplies last):

Year of the Bat commemorative posters

Bat Facts: YOTB edition (This 2011 update in print is only available to BCI YOTB Partners!).

BATS magazine copies of our awarding winning quarterly with the world's most spectacular bat photos

Merlin Tuttle: Guardian Angel of Bats (dvd), part of the series *Heroes of Nature*, produced by the Public Television Group of France and broadcast throughout much of Europe. In English.

Kids Discover Bats (dvd & vhs) combines over 20 minutes of live-action footage of bats with clever animation to bring the little-known world of these incredible animals into your home or classroom. Building Homes for Bats (dvd 7 vhs). In this 33 minute video, Dr. Merlin Tuttle introduces you to successful bat house builders who share their knowledge.

Discover Bats! The multimedia education kit about bats. 225 pages with DVD.

Educator's Activity Book ABOUT BATS. 64 pages, 18 activities, Glossary, Reading List, topical listing. Battle for Bats: The WNS Tragedy, a brochure produced by U.S. Fish & Wildlife Service in cooperation with BCI.

Playing Smart Against Invasive Species (dvd), produced by USDA Forest service in partnership with BCI.

Bat Posters: a variety of the most endearing classic BCI posters of bats

Bat Photos! Bat Conservation International has the largest and best collection of bat photographs in the world. We are able to provide a limited number of photos (up to six) to Year of the Bat Partners. <http://www.batcon.org/index.php/media-and-info/photo-library>

Note: the amount of materials provided free of charge will depend upon the size of your event and the level of cooperation with Bat Conservation International.
